

PAULO SUNICO

W E B D E V E L O P E R

PROFILE

I am now resolute in carving out a prosperous journey in web development, drawing from my service engineer experience. Armed with adept communication, imaginative ideation, and analytical prowess, I bring forth a distinct skill set. Mastery over HTML, CSS, and JavaScript complements my fervor for crafting and erecting user-friendly websites with an innate sense of design. Moreover, my proficiency in resolving issues and adept troubleshooting equips me to adeptly navigate complexities.
